speedtest showed the full speed we were paying for but i could never get anywhere near that speed when downloading from anywhere else it was barely usable but we were locked into a contract

11 feb 2022 i tried speedtest net on chrome on my phone and i get 160mbps i went to microsoft store to download speedtest net app on my laptop and i also get 700mbps why is there such a major

28 jan 2022 basically like how speedtest net works except i want to point it towards my own server so i can test my speed towards the server from elsewhere it has to be a web application

18 sep 2023 note the xfinity speedtest shows the speed to your gateway your gateway is your router meaning you re basically testing the speed of your wlan netflix runs speedtest net though i

which internet speed test is trusted and why is there such a variance between them i used ookla fast com and google s internet speed test which gave me the corresponding 160mbps 250mbps

21 dec 2021 i would like to know about what is your recommended favourite app or site for testing internet speed i was using fast com more than speedtest net because it s just easier and faster to

according to my isp i have 1000 1000 internet but after trying on 2 different devices with a different ethernet cable plugged into my router i only get around 400 600 mbps download and 100 150 mbps

27 jan 2024 other alternatives to speedtest net when did speedtest net start enforcing adblock archived post new comments cannot be posted and votes cannot be cast

11 feb 2021 maybe speedtest was just overloaded at the time or the unique pathway to it was congested or they are capping free tests or whatever and fast com was not busy or closer to you
