local history of the fort vermilion area in the peace river country of northern alberta focussing on the sheridan lawrence family

the story of the expansion of european civilization into the wilderness continues to shape perceptions of how aboriginal people became part of nations such as canada this groundbreaking study subverts this narrative of progress and modernity by examining nation building from the perspective of a northern community and its residents drawing on decades of research patricia mccormack argues that fort chipewyan was never an isolated aboriginal community but a plural society at the crossroads of global national and local forces the steps that led aboriginal people to sign treaty no 8 and accept scrip in 1899 and their struggle to maintain autonomy thereafter reveal that aboriginal peoples and others can become modern without relinquishing cherished beliefs and practices this study of the most famous of the treaty no 8 communities not only provides a window into the history of canada and alberta it challenges the nature of history writing in canada itself

this edition of the canadian encyclopedia is the largest most comprehensive book ever published in canada for the general reader it is complete every aspect of canada from its rock formations to its rock bands is represented here it is unabridged all of the information in the four red volumes of the famous 1988 edition is contained here in this single volume it has been expanded since 1988 teams of researchers have been diligently fleshing out old entries and recording new ones as a result the text from 1988 has grown by 50 to over 4 000 000 words it has been updated the researchers and contributors worked hard to make the information as current as possible other words apply to this extraordinary work of scholarship authoritative reliable and readable every entry is compiled by an expert equally important every entry is written for a canadian reader from the canadian point of view the finished work many years in the making and the equivalent of forty average sized books is an extraordinary storehouse of information about our country this book deserves pride of place on the bookshelf in every canadian home it is no accident that the cover of this book is based on the canadian flag for the proud truth is that this volume represents a great national achievement from its formal inception in 1979 this encyclopedia has always represented a vote of faith in canada in canada as a separate place whose natural worlds and whose peoples and their achievements deserve to be recorded and celebrated at the start of a new century and a new millennium in an increasingly borderless corporate world that seems ever more hostile to national distinctions and aspirations this canadian encyclopedia is offered in a spirit of defiance and of faith in our future the statistics behind this volume are staggering the
