the long awaited x64 edition of the bestselling introduction to intel assembly language in the newly revised fourth edition of x64 assembly language step by step programming with linux author jeff duntemann delivers an extensively rewritten introduction to assembly language with a strong focus on 64 bit long mode linux assembler the book offers a lighthearted robust and accessible approach to a challenging technical discipline giving you a step by step path to learning assembly code that s engaging and easy to read x64 assembly language step by step makes quick work of programmable computing basics the concepts of binary and hexadecimal number systems the intel x86 x64 computer architecture and the process of linux software development to dive deep into the x64 instruction set memory addressing procedures macros and interface to the c language code libraries on which linux is built you ll also find a set of free and open source development and debugging tools you can download and put to use immediately numerous examples woven throughout the book to illustrate the practical implementation of the ideas discussed within practical tips on software design coding testing and debugging a one stop resource for aspiring and practicing intel assembly programmers the latest edition of this celebrated text provides readers with an authoritative tutorial approach to x64 technology that s ideal for self paced instruction please note the author s listings that accompany this book are available from the author website at contrapositivediary.com under his

heading my assembly language books

the real question is not whether aliens exist or not they exist rather we should ask ourselves how they are manipulating us and what we can do in order to defend ourselves these are the thoughts of a writer who has shared her personal experiences in three profound and intense books each volume is supplemented with illustrations and profiles of the most important alien races and in particular with pictures of real alien chips which the author has extracted from her own body it s a book that will blow you away and one that will make you recognize a truth mirrored in your own experience that which you never dared tell anyone in this trilogy the author shares her terrifying experience but also the experiences that filled her with joy it s the beginning of an evolution a howl of rebellion against alien abductions and manipulations a roar in the face of all those who allow this to happen
