for decades millions of music fans have gathered every summer in parks and fields to hear their favorite bands at festivals such as lollapalooza coachella and glastonbury how did these and countless other festivals across the globe evolve into glamorous pop culture events and how are they changing our relationship to music leisure and public culture in everyone loves live music fabian holt looks beyond the marketing hype to show how festivals and other institutions of musical performance have evolved in recent decades as sites that were once meaningful sources of community and culture are increasingly subsumed by corporate giants examining a diverse range of cases across europe and the united states holt upends commonly held ideas of live music and introduces a pioneering theory of performance institutions he explores the fascinating history of the club and the festival in san francisco and new york as well as a number of european cities this book also explores the social forces shaping live music as small independent venues become corporatized and as festivals transform to promote mainstream anglophone culture and its consumerist trappings the book further provides insight into the broader relationship between culture and community in the twenty first century an engaging read for fans industry professionals and scholars alike everyone loves live music reveals how our contemporary enthusiasm for live music is more fraught than we would like to think

when the swedish concert singer jenny lind toured the u s in 1850 she became the prototype for the modern pop star meanwhile her manager p t barnum became the prototype for another figure of

enduring significance the pop culture impresario starting with lind s fabled u s tour and winding all the way into the twenty first century live music in america surveys the ongoing impact and changing conditions of live music performance in the u s it covers a range of historic performances from the fisk jubilee singers expanding the sphere of african american music in the 1870s to benny goodman bringing swing to carnegie hall in 1938 to 1952 s moondog coronation ball in cleveland arguably the first rock and roll concert to beyoncé s boundary shattering performance at the 2018 coachella festival more than that the book details the roles played by performers audiences media commentators and a variety of live music producers promoters agents sound and stage technicians in shaping what live music means and how it has evolved live music in america connects what occurs behind the scenes to what takes place on stage to highlight the ways in which live music is very deliberately produced and does not just spontaneously materialize along the way author steve waksman uses previously unstudied archival materials to shed new light on the origins of jazz the emergence of rock n roll and the rise of the modern music festival

what live music means for one generation or culture does not necessarily mean live for another this book examines how changes in economy culture and technology pertaining to post digital times affect production performance and reception of live music considering established examples of live music such as music festivals alongside practices influenced by developments in technology including live streaming and holograms the book examines whether new forms stand the test of live authenticity for their audiences it also speculates how live music might develop in the future its relationship to recorded music and mediated performance and how business is conducted in the popular music industry

the social history of music in britain since 1950 has long been the subject of nostalgic articles in newspapers and magazines nostalgic programmes on radio and television and collective memories on music websites but to date there has been no proper scholarly study the three volumes of the history of live music in britain address this gap and do so from the unique perspective of the music promoter the key theme is the changing nature of the live music industry the books are focused upon popular music but cover all musical genres and the authors offer new insights into a variety of issues including changes in musical fashions and tastes the impact of developing technologies the balance of power between live and recorded music businesses the role of the state as regulator and promoter the effects of demographic and other social changes on music culture and the continuing importance of do it yourself enthusiasts drawing on archival research a wide range of academic and non academic secondary sources participant observation and industry interviews the books are likely to become landmark works within popular music studies and broader cultural history

live music events are synonymous with fun but seldom associated with international trade this book serves to transform this mindset through describing the economic value of live music and analysing the factors affecting international trade in caribbean live music services race and ethnicity unachieved regionalism within the caribbean and perceived biases in international trade agreements are assessed in relation to their impact on this trade several topics presented in this book are based on empirical findings from a previous microeconomic study dedicated entirely to international trade in live music moreover this book is unique because it compares the caribbean and south korea to assess the effectiveness of strategies aimed at developing international trade in live music services this comparison

should inspire robust policy initiatives for advancing international trade in caribbean live music given that south korea is presently a heavyweight in the export of its entertainment services despite language barriers given the interdisciplinary nature of this book it will appeal to a wide range of readers such as postgraduate students or researchers of microeconomics intraregional trade international trade international business international relations public policy and cultural studies as well as ip legal professionals live music stakeholders cultural practitioners and policymakers
